To: Whom It May Concern:

In my practice I encounter some of the same people as Peggy Christensen at A Ray of Hope. Some of my clients interact with her. She has the ability to provide positive reinforcement to help people through changing lifestyles. Also, Peggy ministers to people's basic needs. I have seen Peggy interact with young women with love and consideration, while at the same time helping them to stay true to themselves and their recovery.

I strongly recommend her organization for a grant consideration. A Ray of Hope needs our support in order to continue operating.

Sincerely,

Bonnie Juroe, LCPC, MFT
