To Whom ever with an interest
in A Ray of Hope Ministry

My name is Pastor Harry P. Kraft Jr. of the Libby Missionary Bap.
Church at Libby, Montana.

I learned of Ray of Hope from the Pastors wife at Whitefish, Mt.
of our sister church.

We had a new family join the church and they had nothing when I
learned of Ray of Hope I was curious as to how they functioned
but by those who believe they depend on the Lord to help the
Lord was diffinately in the works when helead us to Ray of Hope
It gave a new born again family extra confidence in there faith
of the Lord just to see how he provided.

The Libby Missionary Baptist Church Ministry; is to the busness
of preaching the gospel of Christ, that souls might be saved
and enjoy a life eternal with the Lord and savior, to have
that which our Lord has promissed.

To have a place like RAY of Hope is a blessing not only to those
of a church but they are a blessing to many a people which
have nothing.

Sincerely

Pastor:
Harry P. Kraft Jr.
